

## TECHNICAL DATA SHEET

Alkyl Polyglucoside (APG) | CAS 68515-73-1

### 1. Product Identification

|                  |                                         |
|------------------|-----------------------------------------|
| Product Name     | Alkyl Polyglucoside (APG)               |
| CAS Number       | 68515-73-1                              |
| Synonyms         | APG, APG 0810, APG 1214, Alkylglycoside |
| Category         | Industrial Chemical                     |
| Available Grades | Technical/50-55%/C8-C10/C12-C14         |
| HSN Code         | 3402.90                                 |

### 2. Physical & Chemical Properties

|                   |              |
|-------------------|--------------|
| Molecular Formula | —            |
| Molecular Weight  | —            |
| Appearance        | Refer to TDS |
| Density           | N/A          |
| Boiling Point     | N/A          |
| Melting Point     | N/A          |
| Flash Point       | N/A          |
| Solubility        | N/A          |

### 3. Applications

• Bio-based surfactant • Mild cleaning products • Cosmetics • Household and industrial cleaning

### 4. Industries Served

Cosmetics, Detergent, Chemical

### 5. Packing & Supply

Standard industrial packing. Bulk and customised packing available on request. Export supply with full documentation (COA, MSDS, COO, Packing List).

Values are typical and given in good faith as a guide to product characteristics; they do not constitute a specification or guarantee. Refer to the batch COA for certified values.
