

CERTIFICATE OF ANALYSIS (SPECIMEN)

PLGA | CAS 26780-50-7

|                |                                               |
|----------------|-----------------------------------------------|
| Product        | PLGA                                          |
| CAS Number     | 26780-50-7                                    |
| Grade(s)       | Pharmaceutical Grade/75:25/50:50/85:15 ratios |
| Batch No.      | As per despatch                               |
| Mfg / Exp Date | As per despatch                               |

Analysis — Declared Specification vs Typical Result

| Parameter                      | Specification                                 | Typical Result       |
|--------------------------------|-----------------------------------------------|----------------------|
| Appearance                     | Refer to TDS                                  | Conforms             |
| Identification (CAS / Formula) | 26780-50-7 / —                                | Conforms             |
| Assay (as per grade)           | Pharmaceutical Grade/75:25/50:50/85:15 ratios | Within specification |
| Density                        | N/A                                           | Conforms             |
| Solubility                     | N/A                                           | Conforms             |

SPECIMEN document showing typical values against declared specification. A batch-specific, signed Certificate of Analysis accompanies every despatch. This specimen is not valid for regulatory submission or customs clearance.
