

## TECHNICAL DATA SHEET

PVP K-15 | CAS 9003-39-8b

### 1. Product Identification

|                  |                                                               |
|------------------|---------------------------------------------------------------|
| Product Name     | PVP K-15                                                      |
| CAS Number       | 9003-39-8b                                                    |
| Synonyms         | Povidone K15, Polyvinylpyrrolidone K15, Kollidon 15, PVP K-15 |
| Category         | Polymer                                                       |
| Available Grades | USP/BP/Ph.Eur — K15 grade                                     |
| HSN Code         | 3905.90                                                       |

### 2. Physical & Chemical Properties

|                   |              |
|-------------------|--------------|
| Molecular Formula | —            |
| Molecular Weight  | —            |
| Appearance        | Refer to TDS |
| Density           | N/A          |
| Boiling Point     | N/A          |
| Melting Point     | N/A          |
| Flash Point       | N/A          |
| Solubility        | N/A          |

### 3. Applications

• Film coating (low viscosity) • Pharmaceutical solution • Ophthalmic drops • Hair care

### 4. Industries Served

Pharma, Cosmetics, Chemical

### 5. Packing & Supply

Standard industrial packing. Bulk and customised packing available on request. Export supply with full documentation (COA, MSDS, COO, Packing List).

Values are typical and given in good faith as a guide to product characteristics; they do not constitute a specification or guarantee. Refer to the batch COA for certified values.
