

## TECHNICAL DATA SHEET

PGMEA | CAS 108-65-6

### 1. Product Identification

|                  |                                                           |
|------------------|-----------------------------------------------------------|
| Product Name     | PGMEA                                                     |
| CAS Number       | 108-65-6                                                  |
| Synonyms         | PGMEA, Propylene glycol methyl ether acetate, Dowanol PMA |
| Category         | Solvent                                                   |
| Available Grades | Technical/99%/LR/Electronic Grade                         |
| HSN Code         | 2915.39                                                   |

### 2. Physical & Chemical Properties

|                   |              |
|-------------------|--------------|
| Molecular Formula | —            |
| Molecular Weight  | —            |
| Appearance        | Refer to TDS |
| Density           | N/A          |
| Boiling Point     | N/A          |
| Melting Point     | N/A          |
| Flash Point       | N/A          |
| Solubility        | N/A          |

### 3. Applications

• Semiconductor photoresist • Coatings • Printing ink

### 4. Industries Served

Electronics, Paints, Printing

### 5. Packing & Supply

Standard industrial packing. Bulk and customised packing available on request. Export supply with full documentation (COA, MSDS, COO, Packing List).

Values are typical and given in good faith as a guide to product characteristics; they do not constitute a specification or guarantee. Refer to the batch COA for certified values.
