

CERTIFICATE OF ANALYSIS (SPECIMEN)

Thymol | CAS 89-83-8

|                |                                 |
|----------------|---------------------------------|
| Product        | Thymol                          |
| CAS Number     | 89-83-8                         |
| Grade(s)       | Technical/99%/Pharmaceutical/LR |
| Batch No.      | As per despatch                 |
| Mfg / Exp Date | As per despatch                 |

Analysis — Declared Specification vs Typical Result

| Parameter                      | Specification                   | Typical Result       |
|--------------------------------|---------------------------------|----------------------|
| Appearance                     | Refer to TDS                    | Conforms             |
| Identification (CAS / Formula) | 89-83-8 / —                     | Conforms             |
| Assay (as per grade)           | Technical/99%/Pharmaceutical/LR | Within specification |
| Density                        | N/A                             | Conforms             |
| Solubility                     | N/A                             | Conforms             |

SPECIMEN document showing typical values against declared specification. A batch-specific, signed Certificate of Analysis accompanies every despatch. This specimen is not valid for regulatory submission or customs clearance.
