

## TECHNICAL DATA SHEET

Tributyl Citrate | CAS 77-94-1

### 1. Product Identification

|                  |                                                                  |
|------------------|------------------------------------------------------------------|
| Product Name     | Tributyl Citrate                                                 |
| CAS Number       | 77-94-1                                                          |
| Synonyms         | TBC, Tributyl 2-hydroxypropane-1,2,3-tricarboxylate, Citroflex 4 |
| Category         | Industrial Chemical                                              |
| Available Grades | Technical/99%/LR                                                 |
| HSN Code         | 2918.15                                                          |

### 2. Physical & Chemical Properties

|                   |              |
|-------------------|--------------|
| Molecular Formula | —            |
| Molecular Weight  | —            |
| Appearance        | Refer to TDS |
| Density           | N/A          |
| Boiling Point     | N/A          |
| Melting Point     | N/A          |
| Flash Point       | N/A          |
| Solubility        | N/A          |

### 3. Applications

• PVC plasticizer (food contact) • Pharmaceutical • Chemical synthesis

### 4. Industries Served

Polymer, Pharma, Chemical

### 5. Packing & Supply

Standard industrial packing. Bulk and customised packing available on request. Export supply with full documentation (COA, MSDS, COO, Packing List).

Values are typical and given in good faith as a guide to product characteristics; they do not constitute a specification or guarantee. Refer to the batch COA for certified values.
